

Apple and Your Institution

Programs, Training, Purchasing,
and Accessibility Resources

On-Campus Programs

Apple Authorized Campus Store

A campus store is a great place for the campus community to test-drive Apple products, take advantage of special offers, and get service and support. Find out if your college or university has an Apple Authorized Campus Store at www.apple.com/students/how-to-buy, or email campusstore@apple.com for more information.

Apple on Campus

Communicate the benefits of Apple products and refer eligible customers (students, parents, faculty, and staff) to the online Apple Store for Education to purchase Apple products. Find out if your college or university has an Apple on Campus program at www.apple.com/students/how-to-buy, or email appleoncampus@apple.com for more information.

iTunes U

iTunes U brings the power of the iTunes Store to education, making it simple to distribute free educational content to learners all over the world. Learn more at www.apple.com/education/itunes-u/what-is.html.

Apple Campus Reps

Student representatives share their enthusiasm for Apple products with students, faculty, and staff while improving their leadership, networking, communication, and professional skills. Learn more at www.apple.com/education/campusreps.

Apple Distinguished Educators

Discover this worldwide community of over 1500 K–12 and higher education educators, recognized as pioneers, who are doing amazing things with Apple products to transform teaching and learning. Learn more at www.apple.com/education/apple-distinguished-educator.

Development and Training

Apple Professional Development

Apple offers a range of workshops to help your faculty use Apple technology in the classroom. Learn more at www.apple.com/education/professional-development.

Professional Services

Apple Professional Services works with you to plan and implement your technology initiatives. Learn more at images.apple.com/education/docs/Apple-EducationProfessionalServicesBrochure_20101109.pdf.

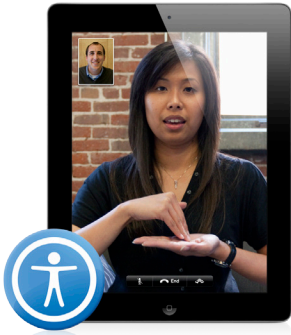

Seminars and Events

Join Apple experts for online seminars and events to learn how Apple education solutions are enhancing teaching and learning and increasing student achievement. Learn more at edseminars.apple.com/seminars.

IT Training and Tutorials

Comprehensive tutorial videos and training documentation will help you make the most of your Apple solution. Learn more at www.apple.com/education/it.

Accessibility

Reaching All Learners

Explore features that are built into OS X and iOS for students with special needs in literacy and learning, vision, hearing, and physical and motor skills. Learn more at www.apple.com/education/special-education.

Access for Everyone

Get an overview of how Apple provides universal access through Mac OS X Lion and iOS, bringing a new level of accessibility to everyone. Learn more at www.apple.com/accessibility.

Voluntary Product Accessibility Templates (VPATs)

Download VPATs for a variety of Apple hardware and software products to learn how Apple products address U.S. Section 508 guidelines. Learn more at www.apple.com/accessibility/resources.

Purchasing

Student and Faculty Discount

Faculty and staff of K–12 schools, as well as college students, parents buying for a college student, professors, faculty, and staff, can take advantage of special pricing on select Apple products for both individual and institutional use. Learn more at store.apple.com/us-hed/browse/home/findyourschool.

AppleCare

All Apple hardware comes with a one-year limited warranty and up to 90 days of complimentary telephone technical support. To extend your coverage further, purchase the AppleCare Protection Plan or AppleCare+ for iPhone. Learn more at www.apple.com/support/products.

Education Purchase Agreements

Find purchase agreements for your state or region. Learn more at www.apple.com/education/shop/contracts.

Apple Financial Services

Increase your annual purchasing power and put Apple products into the hands of more students by taking advantage of Apple's flexible financing program. Learn more at images.apple.com/education/docs/Apple-EducationFinance.pdf.

App Store Volume Purchase Program

Institutions can purchase iOS apps in volume using Volume Vouchers and then distribute the apps to their users. Learn more at www.apple.com/itunes/education.

Education Licensing Program

Apple offers education institutions a variety of very affordable solutions for volume licensing and maintenance on all software titles, including Mac OS X, iLife, iWork, and Final Cut Pro X, just to name a few. Offerings include the option for higher education institutions to cover software licenses on behalf of their students. Learn more at www.apple.com/education/licensingprogram.

Trade-in and Recycling Program

Apple will take your old computers and peripherals from any manufacturer and recycle them domestically in a very environmentally friendly manner. We will even work with you to see that you receive credit for any of your used equipment that might have residual value. Learn more at images.apple.com/education/docs/Apple-Trade-InProgram.pdf.
