Site Licenses for K-12 Education Schools

Site License(s) are an Agreement available only for U.S. K-12 Education Institutions, permitting the installation of the software on up to 500 computers owned or leased by the school for use by enrolled students, faculty, teaching assistants and administrators at a single site. In addition, the Agreement(s) allow installation of the software on up to 50 additional computers under the direct control of faculty and teaching assistants for use at the site or elsewhere, solely for the purpose of creating and revising lessons for use in classrooms located at the site. Media Sets for Volume Licensing are not included in the License(s) fee and may be purchased separately.
