****BUNDLED SOFTWARE iLife (includes iPhoto, iMovie, iDVD, iWeb, GarageBand)**

Choose AppleCare Protection Plan - Auto Enrollment if you're buying computers to be covered. Be sure that each purchase order has the same number of computers as Auto Enrollment options. Upon receipt of your purchase order, Apple will register each computer in the plan, and then mail you a proof-of-coverage certificate as well as an AppleCare Protection Plan CD and Getting Started Guide for each computer. If you are purchasing Mac with Apple-branded display at the same time, the display is registered for coverage as well.

The AppleCare Protection Plan terms and conditions are available on Apple's website.

Mac Pro

With up to 12-core processing power, the new Mac Pro is up to 50% faster than the previous generation. Mac Pro is based on next-generation Intel Xeon "Westmere" or "Nehalem" processors with four or six cores on a single die. "Westmere" processors feature 12MB of fully-shared L3 cache and "Nehalem" processors are equipped with 8MB of fully-shared L3 cache. Faster memory is now available, up to 1333MHz DDR3 ECC SDRAM, and both "Westmere" and "Nehalem" processors feature a three-channel integrated memory controller for greater memory bandwidth and lower memory latency. The Mac Pro is available in both quad-core and 8-core standard configurations, and can be configured (via Configure-to-Order online ordering, CTO) as a 6-core or 12-core system, with processors up to 3.33GHz. Quad-core Mac Pro systems start with 3GB of memory and support up to 16GB, while 8-core systems begin with 6GB and support up to 32GB of memory. All new high-performance graphics cards are available from ATI, starting with the high-performance ATI Radeon HD 5770 with 1GB of GDDR5 memory and two Mini DisplayPort outputs and one dual-link DVI port. For faster graphics performance, the ATI Radeon HD 5870 is available with 1GB of GDDR5 memory. The Mac Pro now features optional 512GB solid-state drives for ultra-fast storage performance. Configure up to four SSDs for 2TB of fast storage. The Mac Pro interior is designed to make it easy to add memory, expansion cards, and hard drives. All Mac Pro systems feature four 3.5" hard drive bays with cable-free direct-attach drive carriers. Included is a 1TB Serial ATA 3Gb/s 7200-rpm hard drive and the system is configurable with up to 8TB of internal storage. The optional Mac Pro RAID card adds added data protection and performance when configured with multiple hard drives. A 18x SuperDrive with double-layer support (DVD±R DL/DVD±RW/CD-RW) is standard in all systems, and Mac Pro can be configured with up to two 18x SuperDrive optical drives. All systems include a double-wide PCI Express 2.0 graphics slot and three full-length PCI Express 2.0 expansion slots. AirPort Extreme 802.11n Wi-Fi wireless networking is now built-in, along with Bluetooth 2.1+EDR for connection to a wireless keyboard, mouse or other Bluetooth enabled device. All Mac Pro systems also include: four FireWire 800 ports and five USB 2.0 ports. Networking includes two Gigabit Ethernet ports, and Audio support includes optical digital input/output, analog line-level input/output, front headphone minijack, and speaker.

Standard Mac Pro desktop configurations includes an Apple Keyboard with Numeric Keypad, wireless Magic Mouse, USB keyboard extension cable, and power cord.

Does not include a keyboard and mouse. Service and support is 90 days of toll-free telephone support and one-year limited warranty.

AppleCare Protection Plan extends your 90-day complimentary telephone technical support and one-year repair coverage to up to three years from the purchase date of your new Mac. Choose AppleCare Protection Plan - Auto Enrollment if you're buying computers to be covered. Be sure that each purchase order has the same number of computers as Auto Enrollment options. Upon receipt of your purchase order, Apple will register each computer in the plan, and then mail you a proof-of-coverage certificate as well as an AppleCare Protection Plan CD and Getting Started Guide for each computer. If you are purchasing Mac with Apple-branded display at the same time, the display is registered for coverage as well. The AppleCare Protection Plan terms and conditions are available on Apple's website. United States: www.apple.com/applecare

AppleCare Products

AppleCare Protection Plan

The AppleCare Protection Plan extends your computer's 90 days of complimentary telephone technical support and one-year repair coverage to up to three years of world-class support from your computer's purchase date. The Plan includes expert telephone assistance, onsite repairs for desktop computers, global repair coverage for all computers, web-based support resources and powerful diagnostic tools (TechTool Deluxe from Micromat). The AppleCare Protection Plan Terms and Conditions are available on Apple's website. United States: www.apple.com/applecare

AppleCare Protection - Enrollment Kits

Buy the appropriate Enrollment Kit for each computer to be covered by the AppleCare Protection Plan. Each Kit includes an AppleCare Protection Plan CD, a Getting Started Guide, the plan's Terms and Conditions, and instructions for registering the computer for coverage. Coverage is not activated until after you register the plan. Coverage for an Apple display is provided for Mac customers provided the computer and the display were purchased at the same time and covered under the same plan.

Please be sure to provide the serial numbers of both. Please note that to be eligible, the computer must be under its original one-year warranty.

MC245LL/B	AppleCare Protection Plan for iMac - Enrollment Kit	\$119.00	\$169.00	\$50.00

MC247LL/B	AppleCare Protection Plan for MacBook Pro - Enrollment Kit (This is for customers who purchase 15" or 17" MacBook Pro)	\$239.00	\$349.00	\$110.00
MC250LL/B	AppleCare Protection Plan for Apple Display - Enrollment Kit	\$79.00	\$99.00	\$20.00

AppleCare OS Support Products

AppleCare OS Support delivers consultative phone and email support for integration, migration, and advanced server operation issues. All three plans provide support for technical issues that require the use of command-line tools for resolution. Whether you have occasional questions or you need assistance on a regular basis, Apple has a plan to fit your requirements. Each plan provides up to one year of coverage. Each plan also includes AppleCare Help Desk Support and a single copy of AppleCare Help Desk Tools. AppleCare Help Desk Support provides each designated contact an unlimited number of support incidents for software installation, launch, and use; hardware and software diagnosis and troubleshooting; and issue isolation for Apple-based solutions. In addition, each of your designated contacts will have access to Apple's professional online support resources, including online updates of the latest tools and diagnostics. AppleCare Help Desk Tools provides a library of Mac OS installation and hardware diagnostic discs that is updated quarterly.

For details about AppleCare OS Support, visit <http://www.apple.com/support/products/enterprise/server.html#software>

MC667ZM/A	AppleCare OS Support - Select Covers up to 10 enterprise-level support incidents and provides four-hour response for priority 1 issues (server down), 12 hours a day, 7 days a week. Unused incidents expire after one year.	\$4,796.00	#####	\$1,199.00
D5690ZM/A	AppleCare OS Support - Preferred Covers an unlimited number of enterprise-level support incidents for two technical contacts from your organization, provides two-hour response for priority 1 (server down) issues 12 x 7, and assigns a technical account manager to your organization.	\$15,996.00	\$19,995.00	\$3,999.00
D5691ZM/A	AppleCare OS Support - Alliance Covers an unlimited number of enterprise-level support incidents across multiple locations for four technical contacts in your organization and provides one-hour response for priority 1 (server down) issues, 24 x 7. This plan also includes an onsite review by an Apple technical support engineer and assigns a technical account manager to your organization.	\$39,996.00	\$49,995.00	\$9,999.00

🍏 iPad

The iPad is a high-performance system for everyone - in terms of style, portability, and performance - that provides a full set of advanced features in a stunning aluminum enclosure that is less than .5 inches thin and weighs just 1.5 pounds. All models feature a built in 25 watt hour rechargeable lithium polymer battery that provides up to 10 hours of battery life while surfing the web on Wi-Fi, watching video or listening to music. The iPad features a brilliant 9.7 inch LED-backlit glossy widescreen Multi -Touch display with IPS technology that makes it perfect for web browsing, watching movies, or viewing photos. The A4 chip inside the iPad was custom-designed by Apple engineers to be extremely powerful yet extremely power efficient. The performance is unlike anything you've ever seen on a touch-based device which makes the iPad fantastic for everything from productivity apps to games. At the same time, the A4 chip is so power efficient that it helps iPad get up to 10 hours of battery life on a single charge. iPad is available with a choice of 16GB, 32GB, or 64GB of flash storage, giving you lots of room for your photos, movies, music, apps, and more.

iPad with Wi-Fi + 3G offers superfast data speeds up to 7.2 Mbps over 3G cellular networks around the world. It's perfect when you're out and about with no access to a Wi-Fi network, because you can still get a fast connection for surfing the web, sending and receiving email, or getting directions. Since iPad seamlessly switches between 3G and even faster Wi-Fi, you always get the best connection available.
