

AppleCare Protection Plan Part Numbers and Pricing

When purchasing computers that are to be owned by the institution, use “bundle” part numbers from the appropriate education price list that include the computer plus three year “auto-enroll” AppleCare Protection Plan. When purchasing computers that are not available with the AppleCare Protection Plan bundled into one part number, use “auto-enroll” part numbers that are listed below on the same purchase order with the computers. Orders must include the same number of computers and units of the AppleCare Protection Plan.
