SECTION B: Third-Party Software Licensing

This is a selected list of third-party software. For a more complete list, please visit the Apple Store for Education: <http://www.apple.com/education/store>

Note: Products offered on this price list which do not bear the Apple Brand name are serviced and supported exclusively by their manufacturers in accordance with terms and conditions packaged with the products. Apple's Limited Warranty does not apply to products that are not Apple-branded, even if packaged or sold with Apple products. Please contact the manufacturer directly for technical support and customer service.

IMPORTANT INFORMATION REGARDING ORDERING THIRD PARTY SOFTWARE LICENSING

Contact Information: End-user (or, tech coordinator) contact information is required in order to fulfill orders for third party software licensing. Minimum required contact information includes: (1) Name of intended end-user; (2) email address, phone and fax number.

Volume Pricing

Pricing of 3rd party software licensing is based on volume purchased. Higher volume purchases receive greater savings. To facilitate timely and accurate fulfillment of orders, it is essential that the part number ordered corresponds to the software license volume being purchased.

Creativity & Productivity Tools

Adobe Creative Suite 4

Adobe Creative Suite 4 takes full advantage of the super fast, multi-core Intel processors in every new Mac. It offers all-new versions of your most essential applications. Purchase Adobe product licenses under one consolidated volume licensing program, enabling cost savings and resource efficiencies.

K-12 and Higher Education Institution Third-Party Products: Software Licensing and Hardware Price List October 15, 2009

The Adobe **Transactional License Program** offers Electronic Software Delivery (ESD) free of charge to those placing TLP orders. **Media kits are sold separately.** Adobe's Transactional Licensing Program makes it easy to get volume pricing with no membership requirements and no agreements to sign.

Adobe Transactional License Program products are setup with point-based tier pricing, not volume-based tier pricing. The more points purchased on a single transaction, the greater the point value of the transaction, resulting in a lower price paid for each license purchased on that transaction.

The total point value for each transaction determines the pricing tier for each product on that specific transaction:

Total point value for a single transaction, 1-2499: ALL products on transaction must be purchased at Tier 1 pricing.
Total point value for a single transaction, 2500+: ALL products on transaction must be purchased at Tier 2 pricing.

NOTE: Each transaction is independent from every other transaction. Points may not be accumulated over multiple transactions.

EXAMPLE

Purchase 5 copies of Adobe CS4 Design Standard Licensing and 5 copies of Adobe CS4 Web Standard Licensing

TOTAL POINT VALUE:	4,250 points
TIER TO PURCHASE:	Tier 2
PRODUCT TO ORDER:	Quantity 5 licenses: TX991LL/A Adobe Creative Suite 4 Design Standard - TIER 2 (450 points), \$359.00 each Quantity 5 licenses: TX985LL/A Adobe Creative Suite 4 Web Standard - TIER 2 (400 points), \$319.00 each

OPTIONAL: Up to 5 sets of media: TX990LL/A Adobe Creative Suite 4 Design Standard - Media Kit, \$20.00 each
Up to 5 sets of media: TX984LL/A Adobe Creative Suite 4 Web Standard - Media Kit, \$20.00 each

Adobe Creative Suite 4 - Volume Licensing for Education

Educational Institutions with various size orders can benefit from volume pricing with Apple's Transactional Licensing Program (TLP). For every Adobe Creative Suite 4 purchase, points are received per transaction. The total point value for each transaction determines the pricing tier for each product on that specific transaction.
