Regional Training Centre Program Enrollment Form

Apple's Regional Training Centres help teachers bring learning to life with digital technology. These Apple-approved establishments train primary and secondary teachers in using Apple's award-winning software — giving them the know-how to enliven lessons with images, video and sound.

To become an Apple Regional Training Centre, please complete the information below; an Apple representative will contact you shortly to review your application. If you have problems submitting this form, or you require additional information, please email us at educinfo@euro.apple.com.

Your admission to become a Regional Training Centre is subject to the attached terms and conditions. If you cannot accept the terms and conditions please do not submit your application. By submitting your application you agree to the terms and conditions applicable to the Regional Training Centre Program.
