WELCOME TO APPLE SCHOOL MANAGER

This Apple School Manager Agreement ("Agreement") between Your Institution and Apple governs
Your Institution’s use of Software, services and websites that make up Apple School Manager
(collectively referred to as the “Service”). You agree that You have the full legal authority to bind
Your Institution to these terms. By clicking “Agree” You are agreeing that You have read and
understand these terms, and agree that these terms apply if You choose to access or use the
Service or make it available to others. If You do not have the legal authority to bind Your Institution
or do not agree to these terms, do not click “Agree.”

1. GENERAL
   A. Service. Apple is the provider of the Service, which permits You, under the terms and
      conditions of this Agreement, to: (i) enroll Authorized Devices for the purpose of Mobile Device
      Management (MDM) within Your Institution; (ii) access relevant software tools to facilitate the
      Service; (iii) administer Your creation and distribution of Managed Apple IDs and their use by
      Your End Users; (iv) manage the transmission, storage, purchase and maintenance of relevant
      data and Content related to the Service; (v) manage Your creation and administration of
courses using the Service; and (vi) enable certain features and functionality of the Service for
End Users to use with their Managed Apple IDs including, without limitation, the
measurement of student progress on activities assigned in ClassKit enabled applications through Apple
School Manager and the features and services set forth in Section 4D of this Agreement. You
agree to use the Service only in compliance with this Agreement and all applicable laws and
regulations.
   B. Device and User Enrollment. You may use the device enrollment features of the
   Service to enroll only Authorized Devices in the Service. If You elect to use the Service and
   enroll Authorized Devices as set forth in this Agreement, then Apple will provide You with a
   Web Portal and an Administrator account with which You will be able to create and manage the
   Managed Apple IDs for End Users and make the features of the Service available. Once You
   create the Managed Apple IDs for End Users, such accounts will be accessible via Institution-
   owned shared or individual devices, and any devices used by End Users to access their
   Managed Apple ID account. You are responsible for determining and selecting the Service
   features You wish to provide to Your End Users.

2. RIGHT TO USE
   A. Unless stated otherwise in this Agreement, You have the non-exclusive, non-assignable,
      non-transferable, and limited right to access and use the Service during the Term solely for
      Your educational operations and subject to the terms of this Agreement. You may permit Your
      End Users to use the Service for the foregoing purpose, and ‘You are responsible for Your End
      Users’ compliance with the terms of this Agreement.
   B. You do not acquire any right or license to use the Service, or any of its features, beyond
      the scope and/or duration of the Service specified in this Agreement. Your right to access and
      use the Service will terminate upon the termination and/or expiration of this Agreement.
   C. Except as otherwise expressly stated in this Agreement, You agree that Apple has no
      obligation to provide any Apple Software, programs, services or products as part of the
      Service.

3. DATA PRIVACY AND SECURITY
   A. Customer Instructions and Use of Personal Data. Under this Agreement, Apple,
      acting as a data processor on Your behalf, may receive Personal Data if provided by You and
      Your End Users. By entering into this Agreement, You instruct Apple to process such Personal
      Data, in accordance with applicable law: (i) to provide and improve the Service, including any
Apple features, functionality, and services You or applicable End Users enable; (ii) pursuant to
Your instructions as given through Your or applicable End Users’ use of the Service (including
the Web Portal and other features and functionality of the Service); (iii) as specified under this
Agreement including as set forth in Exhibit A for student End Users; and (iv) as further
documented in any other written instructions given by You and acknowledged by Apple as
constituting instructions under this Agreement.

You understand that Apple may process Personal Data associated with a Managed Apple ID,
such as name, Institution, enrolled classes, role, email address, grade level, user identifiers,
and device identifiers, as applicable and depending on the type of End User, the services used,
and data provided. Apple may also process Personal Data in connection with its provision of
features and services that are available with a Managed Apple ID, including without limitation
those services outlined in Section 1A above, Section 4D below, Apple Services, and services
outlined in Exhibit A for student End Users. The processing of student End Users’ Personal
Data is explained in further detail in Exhibit A.

Apple shall process Personal Data pursuant to Your instructions, as described in this
Agreement, including Section 3A and Exhibit A for student End Users, unless prohibited by an
applicable legal requirement from doing so, in which case Apple will inform You of that legal
requirement before processing Personal Data (unless prohibited by that law from doing so on
important grounds of public interest).

In addition, You acknowledge and agree, and shall ensure that the applicable End Users agree
where required under applicable law, that Apple and its affiliates and agents may collect, use,
store, and process diagnostic, technical, usage and related information, including but not
limited to, unique system or hardware identifiers, and information about Your Authorized
Devices, system and application software, and peripherals, cookies, and IP addresses in a way
that does not personally identify Your End Users in order to provide and improve the Service;
to facilitate the provision of software updates, product support, and other features related to the
Service; for security and account management purposes; and to verify compliance with the
terms of this Agreement.

B. Compliance with law. You agree that You are solely liable and responsible for ensuring
Your compliance with all applicable laws, including without limitation privacy and data
protection laws, regarding the use or collection of data and information through the Service.
You are also responsible for all activity related to Personal Data, including but not limited to,
monitoring such Personal Data and activity, and preventing and addressing inappropriate data
and activity, including the removal of data and the termination of access of the End User
making such data available. You are responsible for safeguarding and limiting access to End
User data by all persons and any of Your service providers, including Third Party Service
Providers, with access to End User data and for the actions of all persons who are permitted
access to use the Service.

C. Data Incidents. Apple will (i) notify Institution, without undue delay and as required by
law, if Apple becomes aware that there has been a breach of security of the Service leading to
the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to
Institution’s Personal Data (“a Data Incident”); and (ii) take reasonable steps to minimize harm
and secure Institution’s Personal Data. You are responsible for providing Apple with
Institution’s updated contact information for such notification purposes. Apple will also assist
Institution to the extent it involves Personal Data that Apple has access to in connection with
the Service, to ensure Institution complies with its obligations to provide notice of Data
Incidents to supervisory authorities or data subjects as required under Articles 33 and 34 of the GDPR, if applicable, or any other equivalent obligations under applicable law.

Apple will not access the contents of Your Personal Data in order to identify information subject to any specific legal requirements. Institution is responsible for complying with incident notification laws applicable to the Institution and fulfilling any third party obligations related to Data Incident(s).

Apple’s notification of, or response to, a Data Incident under this Section 3C will not be construed as an acknowledgment by Apple of any responsibility or liability with respect to a Data Incident.

D. **Your Audit/Inspection Rights.** To the extent that the GDPR applies to the processing of Your or Your End Users’ Personal Data, Apple will provide You with the information necessary to demonstrate compliance with Article 28 of that law. In the event that You have audit rights under other applicable laws, Apple will provide You with the information necessary to demonstrate compliance with Your obligations under those laws. If you choose to exercise Your audit rights under this Section 3D, Apple shall demonstrate compliance by providing you with a copy of Apple’s ISO 27001 and ISO 27018 Certifications.

E. **Security Procedures.** Apple shall use industry-standard measures to safeguard Personal Data during the processing of Personal Data. Encrypted Personal Data may be stored at Apple’s geographic discretion. As part of these measures, Apple will also use commercially reasonable efforts to: (a) encrypt Personal Data at rest and in transit; (b) ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services; (c) restore the availability of Personal Data in a timely manner in the event of a physical or technical issue; and (d) regularly test, assess, and evaluate the effectiveness of technical and organizational measures for ensuring the security of the processing of Personal Data. Apple may update the security features from time to time as long as the updates do not result in the degradation of the overall security of the Service.

F. **Security controls.** Apple will assist You to ensure Your compliance with Your obligations with regards to the security of Personal Data, including Your Institution’s obligations, under Article 32 of the GDPR or equivalent obligations under applicable law, by implementing the Security Procedures set forth in Section 3E of this Agreement and by maintaining the ISO 27001 and ISO 27018 Certifications. Apple will make available for review by Institution the certificates issued in relation to the ISO 27001 and ISO 27018 Certifications following a request by You or Your Institution under this Section 3F.

G. **Security Compliance.** Apple will take appropriate steps to ensure compliance with security procedures by Apple Personnel and Apple Service Providers and Apple shall ensure that any persons authorized to process Personal Data comply with applicable laws regarding the confidentiality and security of Personal Data with regards to the Service.

H. **Data Impact Assessment and Prior Consultation.** Apple will assist Institution, at its sole discretion and to the extent it involves Personal Data Apple has access to in connection with the Service, to ensure Institution’s compliance with any applicable obligations requiring Institution to conduct data protection impact assessments, or to consult with a supervisory authority prior to processing where such is required by law.
I. **Breach Notification and Cooperation.** You shall promptly notify Apple in the event that You learn or have reason to believe that any person, or entity, has breached Your security measures or has gained unauthorized access to: (1) Your Personal Data; (2) any restricted areas of the Service; or (3) Apple’s confidential information (collectively, “Information Security Breach”). In the event of an Information Security Breach, You shall provide Apple with reasonable assistance and support to minimize the harm and secure the data.

J. **Data Transfer.** If required by law, Apple will ensure that any international data transfer is done only to a country that ensures an adequate level of protection, has provided appropriate safeguards as set forth in applicable law, such as those in Articles 46 and 47 of the GDPR (e.g., standard data protection clauses), or is subject to a derogation in Article 49 of the GDPR. If You are required to enter into certain standard contractual clauses, which are incorporated as Exhibit B, in order to transfer data to a third country, You agree to do so.

K. **Destruction of Data.** Upon termination of this Agreement for any reason, Apple shall securely destroy Your and Your End Users' Personal Data that is stored by Apple in connection with the Service within a reasonable period of time, but in any case, no longer than 180 days.

L. **Requests Regarding Personal Data.**

   i. **Institution Requests:** Apple shall provide You with the ability to access, correct, retrieve, or delete Your and Your End Users' Personal Data in accordance with Your obligations under privacy and data protection laws, as applicable. In the event that You make a request to Apple regarding Your or Your End Users' Content or Personal Data in connection with the Service, Apple will either reasonably (i) enable You to manage such requests directly, such as through available tools in the Web Portal, or (ii) cooperate with You to handle such requests to the extent such requests involve Personal Data that Apple has access to. Apple is not responsible for data, including Content or Personal Data, You store or transfer outside of Apple's system (for example, student records located in your Student Information System). Requests for deletion handled via Apple School Manager will be completed within 30 days.

   ii. **End User Requests:** In the event that Apple receives any requests from End Users for a copy of their Personal Data in connection with the Service, Apple will either reasonably (i) enable You to manage such requests directly, such as through available tools in the Web Portal, or (ii) cooperate with You to handle such requests to the extent such requests involve Personal Data that Apple has access to. If You choose to allow Apple to provide a copy of an End User's Personal Data in its privacy portal at privacy.apple.com through the Web Portal, You hereby instruct Apple, upon the End User's request, to process and fulfil such End User's request to access their data as available on privacy.apple.com on Your behalf.

   iii. **Third Party Requests:** In the event that Apple receives a third party request, such as a request from law enforcement or a regulatory authority, for Your or Your End User's Content or Personal Data (“Third Party Request”), Apple will (i) notify You, to the extent permitted by law, of its receipt of the Third Party Request; and (ii) notify the requester to address such Third Party Request to You. Unless otherwise required by law or the Third Party Request, You will be responsible for responding to the Request. In the event You are subject to an investigation by a data
M. **School Official Status Under FERPA (20 U.S.C. § 1232g).** If You are an educational agency, or organization, or acting on behalf of an educational agency, or organization, to which regulations under the U.S. Family Education Rights and Privacy Act (FERPA) apply, the parties agree that for the purposes of this Agreement, Apple will (a) act as a “school official” as defined in 34 C.F.R. § 99.31(a)(1)(i) with a legitimate educational interest; (b) with respect to applicable End Users’ Personal Data, perform an institutional service or function under the direct control of the Institution for which the Institution would otherwise use employees; (c) use applicable End Users’ Personal Data only for a purpose authorized by the Institution, including as set forth in this Agreement; and (d) not re-disclose applicable End Users’ Personal Data to third parties or affiliates except as authorized under this Agreement, with permission from the Institution, pursuant to a court order, or as otherwise permitted under applicable laws or regulations.

N. **COPPA.** Apple will use and maintain Personal Data, provided by You and Your End Users to Apple in connection with the Service, in accordance with the Children’s Online Privacy Protection Act of 1998 (COPPA), insofar as it is applicable. This Section 3 and the attached Exhibit A constitute notice of how Apple will collect, use, or disclose Personal Data of children under the age of 13. You grant Apple permission to collect, use and disclose such Personal Data for the purpose of providing and improving the Service and as set forth in Exhibit A.

O. **Access to Third Party Products and Services.** If You choose to access, use, download, install, or enable third party products or services that operate with the Service but are not a part of the Service, then the Service may allow such products to access Personal Data as required for the use of those additional services. You are not required to use such additional products in relation to the Service, and Your Administrator may restrict the use of such additional products in accordance with this Agreement. Prior to accessing or downloading third party products or services for use with a Managed Apple ID, You should review the terms, policies and practices of the third party products and services to understand what data they may collect from Your End Users, how the data may be used, shared and stored, and, if applicable, whether such practices are consistent with any consents You have obtained.

P. **Apple Service Provider.** Apple may provide Personal Data to Service Providers who provide services to Apple in connection with the Service. You authorize the use of Apple Inc. as a Service Provider and any other Service Providers Apple may use, provided that such Service Providers are bound by contract to treat Personal Data in no less a protective way than Apple has undertaken to treat such data under this Agreement, and will not use such data for any purpose beyond that specified herein. A list of such Service Providers will be available upon request.

4. **SERVICE**

A. **Use Restrictions.** You will ensure Your and Your End Users’ use of the Service complies with this Agreement, and You will inform Your End Users of, and enforce, the restrictions set forth in this Agreement. You agree that neither You nor Your End Users will use the Service to upload, download, post, email, transmit, store or otherwise make available: (i) any Content or materials that are unlawful, harassing, threatening, harmful, defamatory, obscene, invasive of another’s privacy, hateful, racially or ethnically offensive or otherwise
objectionable; (ii) any Content or materials that infringe any copyright or other intellectual property, or violate any trade secret, or contractual or other proprietary right; (iii) any unsolicited or unauthorized email message, advertising, promotional materials, junk mail, spam, or chain letters; and/or (iv) any Content or materials that contain viruses or any computer code, files or programs designed to harm, interfere with or limit the normal operation of the Service or any other computer software or hardware. You further agree that You will not, and will ensure that End Users do not: (a) use the Service to stalk, harass, threaten or harm another; (b) pretend to be anyone or any entity that You are not (Apple reserves the right to reject or block any Managed Apple ID or email address that could be deemed to be an impersonation or misrepresentation of Your identity, or a misappropriation of another person’s name or identity); (c) forge any Transmission Control Protocol/Internet Protocol (TCP-IP) packet header or any part of the header information in an email or a news group posting, or otherwise put information in a header designed to mislead recipients as to the origin of any content transmitted through the Service (“spoofing”); (d) interfere with or disrupt the Service, any servers or networks connected to the Service, or any policies, requirements or regulations of networks connected to the Service; and/or (e) use the Service to otherwise violate applicable laws, ordinances or regulations. If Your or Your End User’s use of the Service or other behavior intentionally or unintentionally threatens Apple’s ability to provide You or others the Service, Apple shall be entitled to take necessary steps to protect the Service and Apple’s systems, which may include suspension of Your access to the Service.

If you are a covered entity, business associate or representative of a covered entity or business associate (as those terms are defined at 45 C.F.R § 160.103), You agree that you will not use any component, function or other facility of iCloud to create, receive, maintain or transmit any “protected health information” (as such term is defined at 45 C.F.R § 160.103) or use iCloud in any manner that would make Apple (or any Apple Subsidiary) Your or any third party’s business associate.

B. Administration of Accounts. You agree that You shall be solely responsible for management of Your Administrator account(s) and all Your Managed Apple IDs, including but not limited to: (i) the security and safeguarding of the user name and password associated with each account; (ii) the provision and/or removal of access by any of Your End Users to such account and any Content provided and/or stored in the Service; and (iii) the provision of appropriate documentation and guidelines to End Users about using the Managed Apple ID accounts.

C. End User Consent. Administrators will have the ability to monitor, access or disclose End User data associated with Managed Apple ID accounts through the Web Portal and/or Administrator tools. You represent and warrant that, prior to deploying the Service to Institution and any End Users, You will provide sufficient notice and disclosure of the terms of this Agreement, and obtain and maintain all necessary rights and consents, either from each End User, or where necessary and applicable, each End User’s parent or legal guardian, to allow Apple to: (1) provide and improve the Service in accordance with this Agreement; and (2) access and receive End User data that may arise as part of the provision of the Service.

D. Managed Apple IDs; Features and Services. A Managed Apple ID is the account user name and password You create and provide to each of Your End Users to access the Service. Apple will provide You with the tools to create Managed Apple IDs for Your End Users. When You create Managed Apple IDs for Your End Users, all features and functionality of the Service that You select to be available are enabled for all of Your Institution’s Managed Apple IDs. YOU ASSUME FULL RESPONSIBILITY AND LIABILITY FOR ALL RISKS AND COSTS ASSOCIATED WITH YOUR SELECTION OF EACH FEATURE AND FUNCTIONALITY
i. **Requirements for Use of Managed Apple ID**
   1. **Devices and Accounts.** Use of Managed Apple IDs as part of the Service may require compatible devices, Internet access, certain software, and periodic updates. The latest version of the required software may be necessary for certain transactions or features. Apple reserves the right to limit the number of Managed Apple IDs that may be created and the number of devices associated with a Service account.
   2. **Your rights to the Managed Apple IDs.** Unless otherwise required by law or this Agreement, You agree that each Managed Apple ID is non-transferable between individual End Users, and between Institutions.

ii. **Find My iPhone.** Find my iPhone is automatically disabled for all Managed Apple IDs. However, if an Authorized Device is lost or stolen, Institution can use the MDM solution to put the device in Lost Mode so that the device will be locked, the End User will be logged out, and a report will be automatically transmitted to the MDM Server. Institution can also erase the device remotely and enable Activation Lock to help ensure that the device cannot be reactivated without the proper Managed Apple ID and password. Apple shall bear no responsibility for Your failure to protect Authorized Devices with a passcode, Your failure to enable Lost Mode, and/or Your failure to receive or respond to notices and communications. Apple shall also bear no responsibility for returning lost or stolen devices to You or for any resulting loss of data. Apple is not responsible for any replacement of devices that have the Activation Lock feature enabled, or any warranty claims on such devices. You may remove the Activation Lock feature and disable Lost Mode through MDM.

iii. **Account Authentication.** Two-factor authentication requiring two types of information for authentication purposes, such as a password and a generated security code, is automatically enabled for the Managed Apple IDs of Your Administrators, teachers and staff. Institution agrees to provide Apple with at least one mobile telephone number for Institution to receive autodialed or prerecorded calls and text messages from Apple for authentication and account related purposes, which may be subject to standard message and data rates. Apple may place such calls or texts to: (i) help keep Your Service account secure when signing in; (ii) help You access Your account if You forget Your password; or (iii) as otherwise necessary to maintain Your Service account or enforce this Agreement and relevant policies. Managed Apple IDs distributed to Your End Users will also require two-factor authentication, such as identification of an Authorized Device and an authentication code generated in the Web Portal or a telephone number. In all instances, You are responsible for: (a) distributing the Managed Apple IDs You create to identified End Users; (b) approving access to the Service by such End Users; (c) controlling against unauthorized access; and (d) maintaining the confidentiality and security of user names, passwords and account information.

iv. **Backup.** Authorized Devices that are not shared devices will periodically create automatic backups that are transmitted to the Service when the user is logged in with their Managed Apple ID and the device is screen-locked, connected to a power source, and connected to the Internet via a Wi-Fi network. You may disable backup in the MDM Enrollment Settings. Backup is limited to device settings, device characteristics, photos, videos, documents, messages (iMessage, SMS and MMS, if enabled), ringtones, app data (including Health app data, if applicable), location settings (such as location-based reminders that You have set up), and Home screen and app organization. Content that You purchase, download or provide access to Your End Users from the iTunes Store, App Store or Apple Books Store, and Content purchased from or provided by any third parties, will not be backed up. Such Content may be eligible for re-download from those services,
subject to account requirements, availability, and any applicable terms and conditions. Content synced from Your End Users’ computers will not be backed up. If You enable iCloud Photo Library, the photo libraries of Your End Users will be backed up separately from their automatic iCloud backup. The Content stored in an End User’s contacts, calendars, bookmarks, and documents is accessible via iCloud on the web or on any Apple device that an End User signs into using their Managed Apple ID. When iCloud Backup is enabled, devices managed or controlled by Your Institution will not back up to iTunes automatically during a sync, but You may enable End Users to manually initiate a backup to iTunes. It is solely Your responsibility to maintain appropriate alternative backup of Your and Your End Users’ information and data.

v. iCloud Photo Library. When You enable iCloud Photo Library in connection with any Managed Apple ID, the photos, videos and metadata in the Photos App on the Authorized Devices (“Device Photo Library”) will be automatically sent to iCloud, stored as the End User’s Photo Library in iCloud, and then pushed to all of the End User’s other iCloud Photo Library-enabled devices and computers. If the End User later makes changes (including deletions) to the Device Photo Library on any of these devices or computers, such changes will automatically be sent to and reflected in the End User’s iCloud Photo Library. These changes will also be pushed from iCloud to, and reflected in, the Device Photo Library on all of the End User’s iCloud Photo Library-enabled devices and computers. The resolution of content in the Photo Library on Authorized Devices or computers may vary depending upon the amount of available storage and the storage management option selected for the End User’s iCloud-Photo-Library-enabled device. If You do not wish to use iCloud Photo Library, You may disable it for Your Managed Apple ID and/or on Your Authorized Devices.

vi. Schoolwork. If you make Schoolwork available to Your End Users, teachers and students at Your Institution can manage their school work and assignments using a Managed Apple ID.

1. iCloud File Sharing. When you share a file using Schoolwork in connection with a Managed Apple ID, Apple automatically organizes any files shared into class folders for students and teachers in the iCloud Drive. Your End Users can access their shared files using their Managed Apple ID. Annotations or changes made to these files will be visible by any End User in a class with whom You have shared a file. You can stop sharing files at any time. Files created by Your End Users using Managed Apple IDs are stored until you delete them. However, any file previously copied to another device or computer will not be deleted.

2. Student Progress. When You opt-in to the Student Progress feature in the Web Portal, student progress on activities assigned in ClassKit enabled applications will be recorded and reported to the ClassKit framework. Only activities assigned by Your teachers using Schoolwork will initiate the recording and reporting of student progress information. Your student End Users will be able to view their own student progress information in Schoolwork and in Settings on their device. Your teacher End Users will be able to view the student progress information of all students in their class for activities they assign. Student data created through Your use of Schoolwork or ClassKit enabled applications will be treated in accordance with Section 3 and Exhibit A of this Agreement. If You opt-out a Managed Apple ID from the Student Progress feature, all student progress Personal Data associated with that Managed Apple ID will be deleted in accordance with Section 3.

vii. Third Party Apps. If You make available any third party apps for Your End Users to sign into with their Managed Apple IDs, You agree to allow such apps to store data in the accounts associated with Your End Users’ Managed Apple IDs, and for Apple to collect, store, and process such data on behalf of the relevant third party app developer in
association with Your and/or Your End Users’ use of the Service and such apps. Third party apps may have the capability to share such data with another app downloaded from the same app developer. You are responsible for ensuring that You and Your End Users are in compliance with any storage limits and all applicable laws for each Managed Apple ID based on the third party apps You make available to Your End Users to download.

viii. **Other Apple Services.** If You make available other Apple Services for Your non-student End Users to sign into, You agree to allow the Apple Services to store data in the accounts associated with those End Users’ Managed Apple IDs, and for Apple to collect, store and process such data in association with Your and/or Your non-student End User’s use of the Apple Service. You are responsible for ensuring that You and Your non-student End Users are in compliance with all applicable laws for each Managed Apple ID based on the Apple Service you allow Your End Users to access. If Your non-student End Users access certain Apple Services, Apple may communicate with Your End Users about their use of the Service, Apple Services, and updates to Apple Services.

E. **Server Token Usage.** You agree to use the Server Token provided by Apple only for the purpose of registering Your MDM Server within the Service, uploading MDM Enrollment Settings, and receiving Managed Apple ID roster data. You shall ensure that Your End Users use the information sent or received using Your Server Token only with Authorized Devices. You agree not to provide or transfer Your Server Token to any other entity or share it with any other entity, excluding Your Third Party Service Providers. You agree to take appropriate measures to safeguard the security and privacy of such Server Token and to revoke it if it has been compromised or You have reason to believe it has been compromised. Apple reserves the right to revoke or disable Server Tokens at any time in its sole discretion. Further, You understand and agree that regenerating the Server Token will affect Your ability to use the Service until a new Server Token has been added to the MDM Server.

F. **Storage Capacity; Limitations on Usage.** Exceeding any applicable or reasonable usage limitations, such as limitations on bandwidth or storage capacity (e.g., in connection with iCloud Backup), is prohibited and may prevent You from using some of the features and functionality of the Service, accessing Content or using some, or all, of the Managed Apple IDs. In the event that Apple limits bandwidth or storage capacity available to You, it shall use commercially reasonable efforts to notify You via the Service or otherwise within ten (10) business days of doing so.

G. **Submission of Content.** You are solely responsible for any Content You or Your End Users upload, download, post, email, transmit, store or otherwise make available through the use of the Service. You shall ensure that Your End Users have obtained all necessary third party permissions or licenses related to any such Content. You understand that by using the Service You may encounter Content that You or Your End Users find offensive, indecent, or objectionable, and that You may expose others to content that they may find objectionable. You understand and agree that Your use of the Service and any Content is solely at Your own risk.

H. **Removal of Content.** You acknowledge that Apple is not responsible or liable for any Content provided by You or Your End Users. Apple has the right, but not an obligation, to determine whether Content is appropriate and in compliance with this Agreement, and may move and/or remove Content that violates the law or this Agreement at any time, without prior notice and in its sole discretion. In the event that Apple removes any Content, it shall use commercially reasonable efforts to notify You.

I. **Bundled Service.** All features and functionalities of the Service are provided as part of a bundle and may not be separated from the bundle and used as standalone applications. Apple Software provided with a particular Apple-branded hardware product may not run on other models of Apple-branded hardware.
J. **Links and Other Third Party Materials.** Certain Content, components or features of the Service may include materials from third parties and/or hyperlinks to other web sites, resources or content. You acknowledge and agree that Apple is not responsible for the availability of such third party sites or resources, and shall not be liable or responsible for any content, advertising, products or materials on or available from such sites or resources used by You or Your End Users.

K. **iTunes; Purchasing Apps and Books.**
   i. **Acquisition of Content.** Acquisition of Content from the iTunes Store, App Store or Apple Books Store using Managed Apple IDs is automatically disabled. You may choose to enable Your Administrators or teachers and staff to access such Content by granting them purchasing authority and allowing them to access the Volume Purchase Program (VPP) to purchase Apps and Books for use on the Service. Your use of the iTunes Store, App Store, and/or Apple Books Store is subject to Sections G and H of the Apple Media Services Terms and Conditions ([http://www.apple.com/legal/internet-services/itunes/us/terms.html](http://www.apple.com/legal/internet-services/itunes/us/terms.html)), as applicable. You agree that You have the authority to and will accept such applicable terms on behalf of Your authorized End Users.
   ii. **iTunes U Course Manager.** You are responsible for the use of the Course Manager feature by Your Institution’s teachers and staff to create and administer courses as a part of the Service. You agree to obtain all necessary permissions on behalf of Your End Users for Content created or submitted through the Course Manager onto the Service.
   iii. **Volume Purchase Program.** Purchases You choose to transact through Apple’s Volume Purchase Program are subject to the VPP terms, and delivered to End Users or assigned to a device through the App Store and/or the Apple Books Store.

L. **Updates and Maintenance; Changes to Service.**
   i. **Updates and Maintenance.** Apple may, from time to time, update the Software used by the Service. These updates could include bug fixes, feature enhancements or improvements, or entirely new versions of the Software. In some cases, such updates may be required to continue Your use of the Service or to access all features of the Service. Apple is not responsible for performance or security issues resulting from Your failure to support such updates. Apple shall, from time to time, be required to perform maintenance on the Service. While Apple is not obligated to notify You of any maintenance, Apple will use commercially reasonable efforts to notify You in advance of any scheduled maintenance.
   ii. **Changes to Service.** Apple shall have the right to revise or update the functionality and look of the Service from time to time in its sole discretion. You agree that Apple shall not be liable to You or any third party for any modification, suspension or termination of the Service. The Service, or any feature or part thereof, may not be available in all languages or in all countries, and Apple makes no representations that the Service, or any feature or part thereof, is appropriate or available for any use in any particular location.

M. **Other Agreements.** You acknowledge and agree that the terms and conditions of any sales, service or other agreement You may have with Apple are separate and apart from the terms and conditions of this Agreement. The terms and conditions of this Agreement govern the use of the Service and such terms are not diminished or otherwise affected by any other agreement You may have with Apple.

N. **Professional Services.** Any professional services relevant to the Service, such as consulting or development services that require any deliverables from Apple are subject to fees and a separate agreement between Apple and Institution.

C. Verification. To the extent permitted by applicable law, Apple may verify Your use of the Service (via remote software tools or otherwise) to assess compliance with the terms of this Agreement. As used herein, "prevailing party" includes without limitation, a party who dismisses an action for recovery hereunder in exchange for payment of the sums allegedly due, performance of covenants allegedly breached, or consideration substantially equal to the relief sought in the action.

H. **Governing Law.** If Your Institution is a U.S. public and accredited educational institution, then this Agreement will be governed and construed in accordance with the laws of the state in which Your Institution is domiciled, except that body of law concerning conflicts of law. You and Apple hereby consent to the personal jurisdiction and exclusive venue of the federal courts within the state in which Your Institution is domiciled.

For all other institutions domiciled in the United States or subject to United States law under this Agreement, this Agreement will be governed by and construed in accordance with the laws

Neither party shall be responsible for failure or delay of performance that is caused by an act of war, hostility, terrorism, civil disobedience, fire, earthquake, act of God, natural disaster, accident, pandemic, labor unrest, government limitations (including the denial or cancelation of any export/import or other license), or other event outside the reasonable control of the obligated party; provided that within five (5) business days of discovery of the force majeure event, such party provides the other with a written notice. Both parties will use reasonable efforts to mitigate the effects of a force majeure event. In the event of such force majeure event, the time for performance or cure will be extended for a period equal to the duration of the force majeure event, but in no event more than thirty (30) days. Unless specified otherwise in this Agreement as related to the Service, nothing in this Agreement supersedes the EULAs for the Apple Software. This Agreement may be modified only to the extent expressly permitted by this Agreement (for example, by Apple upon notice to You). In the event that You refuse to accept such changes, Apple will have the right to terminate this Agreement and Your account. If any part of this Agreement is held invalid or unenforceable, that portion shall be construed in a manner consistent with applicable law to reflect, as nearly as possible, the original intentions of the parties, and the remaining portions shall remain in full force and effect. The failure of Apple to exercise or enforce any right or provision of this Agreement shall not constitute a waiver of such right or provision. Any
translation of this Agreement is done for local requirements and in the event of a conflict
between the English and any non-English version, the English version of this Agreement shall
govern.

Apple will not knowingly collect, use, or disclose any Personal Data from Your students without appropriate consent. You acknowledge that You are responsible for obtaining consent from, and providing sufficient notice to, students and/or parents, where required under applicable law, to create Managed Apple IDs, to allow Apple to provide the Service using the Managed Apple IDs, and to collect, use, and disclose student Personal Data provided by You or Your End Users to Apple through the Service, including any additional features and services You make available to Your students.

Apple may take additional steps to verify that the person granting permission for the creation of Managed Apple IDs for Your students is an Administrator from Your Institution with authority to provide consent on Your behalf.

Collection of Information

Managed Apple ID Creation:
Apple receives the following Personal Data from You to create a Managed Apple ID for Your students: student name, Institution, grade level, enrolled classes, role, and student ID. At Your option, You may also provide Your student’s email address. In order to protect the security of Your students’ accounts and preserve Your ability to easily reset students’ passwords online, You should keep this information confidential.

Use of Apple Services with a Managed Apple ID:
Apple may collect Personal Data associated with Your students’ use of the Apple features and services You choose to make available for educational purposes, including the information described above. For example, if You choose to use Schoolwork, Apple may collect Personal Data from students that is related to activities their teachers assign through Schoolwork, such as when Your students mark an activity as complete and their feedback on assigned activities. If You enable the Student Progress feature in Apple School Manager, Apple will receive data about Your students’ progress on assigned activities from participating apps, such as reading a chapter in a book, completing a set of math equations or taking a quiz.
In addition, Apple may collect diagnostic and technical data on Your students’ use of the Service including, for example, IP address, information about Your students’ devices, browsers, system and application software, and peripherals.

**Use of Information**

Apple may use students’ Personal Data provided to Apple by You or Your End Users in connection with the Service in order to provide and improve the Service for educational purposes and to comply with applicable law.

Apple will not use students’ Personal Data to help create, develop, operate, deliver or improve advertising. Limit Ad Tracking will be enabled by default for all devices associated with Your Managed Apple IDs created through the Service to ensure Your students do not receive targeted advertising. However, non-targeted advertising may still be received on those devices, as determined by any third party apps that You may download.

Apple may use non-personally identifiable diagnostic, technical, usage and related information, including but not limited to, identifiers, information about Authorized Devices, system and application software, and peripherals, cookies, and IP addresses in order to provide and improve the Service; to facilitate the provision of software updates, product support and other features related to the Service; for security and account management purposes; and to verify compliance with the terms of this Agreement. For example, Apple may use non-personally identifiable data on Your students use of Schoolwork (which is not associated with a Managed Apple ID) to provide and improve the app.

**Disclosure to Third Parties**

**Managed Apple IDs**

Subject to the restrictions You set, Your students may also share information with Your other students and teachers through use of the Apple services and features that you choose to make available, including the services and features described above.

Additionally, if Your student uses his or her Managed Apple ID to sign in on a device that is owned by a third party (such as a friend or a parent’s iPad), information associated with that student’s Managed Apple ID account may be visible or accessible to others using the device unless and until the student signs out.

**Apple Service Providers**

Apple may provide Personal Data to Apple Service Providers who perform certain tasks on Apple’s behalf, such as processing or storing data and providing customer service, in connection with Apple’s provision of the Service. You authorize the use of Apple Inc. as a Service Provider and any other Service Providers Apple may use, provided such Service Providers are bound by contract to treat such data in no less a protective way than Apple has undertaken to treat such data under this Agreement, and will not use such data for any purpose beyond that specified herein. A list of such Service Providers will be available upon request. Where an Apple Service Provider fails to fulfill its data protection obligations under this Agreement, Apple shall remain fully liable to You for the performance of that Apple Service Provider’s obligations.

**Others**

Apple may also disclose Personal Data about You or Your students if Apple determines that disclosure is reasonably necessary to enforce Apple’s terms and conditions or protect Apple’s
operations or users. Additionally, in the event of a reorganization, merger, or sale Apple may transfer any and all Personal Data You provide to the relevant party.

Access, Correction, and Deletion

OFADP, undertaken by the Data Importer as set forth in Annex 2 to this Agreement, are sufficient to protect the transferred Personal Data from any unauthorized processing. Annex 2 forms an integral part of this Agreement and may be amended by the Data Exporter from time to time.

5. Obligations of the Data Importer

The Data Importer undertakes and warrants that it will process any and all Personal Data received from or made available by the Data Exporter or derived from such data

The Data Importer will promptly inform, and cooperate with, the Data Exporter

En cas de sous-traitance ultérieure, l'Importateur de Données s'engage à

(i) préalablement informer l'Exportateur de Données et obtenir son accord écrit;

(ii) limiter la sous-traitance du traitement de Données Personelles aux activités de traitement accordées dans le présent Accord;

(iii) faire signer par l'Importateur de Données ainsi que par le sous-traitant ultérieur un contrat imposant à ce dernier les mêmes obligations que celles qui incombent à l'Importateur de Données conformément au présent Accord;

(iv) envoyer dans les meilleurs délais une copie de tout accord de sous-traitance ultérieure conclu par lui en vertu du présent Accord à l'Exportateur de Données.

En cas de manquement par le sous-traitant ultérieur aux obligations en matière de protection des données qui lui incombent conformément audit accord écrit, l'Importateur de Données reste pleinement responsable du respect de ces obligations envers l'Exportateur de Données.

L'Exportateur de Données a, à tout moment, de toute manière raisonnable et avec la pleine coopération de l'Importateur de Données, le droit de vérifier la conformité de l'Importateur de Données (et de tout sous-traitant ultérieur) à l'Accord ou de faire effectuer telle vérification par des tiers soumis à une obligation de confidentialité. L'Exportateur de Données supportera les frais; dans le cas où une non-conformité potentiellement importante pour les individus concernés est révélée, l'Importateur de Données doit assumer les frais.

6. Droits des Individus Concernés

L'Exportateur de Donnée est responsable d'assurer que les individus concernés puissent bénéficier de leur droit d'information (droit d'accès), de rectification, d'interdiction, de suppression ou d'effacement prévu par la LPD. (ii) the subcontracting of the processing of Personal Data may only consist of the processing operations agreed in this Agreement;

(iii) Data Importer and Subprocessor shall sign an agreement which will impose the same obligations on the Subprocessor as those imposed on the Data Importer under this Agreement;

(iv) it will promptly send a copy of any Subprocessor agreement it concludes under this Agreement to the Data Exporter.

Where the Subprocessor fails to fulfill its data protection obligations under such written agreement, the Data Importer shall remain fully liable to the Data Exporter for the performance of the Subprocessor's obligations under such agreement.

The Data Exporter has the right to, at any time, in any reasonable manner and with the Data Importer's full cooperation, audit the Data Importer's (and any Subprocessor's) compliance with the Agreement or to have such audit performed by a qualified third party bound by a duty of confidentiality. 7. Durée et résiliation

Le présent Accord est contraignant pour les parties dès sa signature par les deux parties et restera en vigueur pour une période indéterminée. Il prendra fin automatiquement à la résiliation des services fournis par l'Importateur de Données et pour lesquels le présent Accord a été conclu. Chaque partie pourra résilier le présent Accord à tout moment avec effet immédiat par notification écrite. L'Exportateur de Données pourra en plus à tout moment suspendre le transfert et/ou le traitement de Données Personnelles.

En cas de résiliation du présent Accord, quelle qu'en soit la cause, l'Importateur de Données (et tout sous-traitant ultérieur) devra

(i) immédiatement restituer toutes les Données Personnelles ainsi que les copies auxquelles le présent Accord s'applique, y compris les Données Personnelles transférées par l'Exportateur de Données;

et, dans la mesure où ceci est impossible,

à moins que la législation imposée à l'Importateur de Données ne l'empêche de restituer ou de détruire la totalité ou une partie des Données Personnelles transférées assujetties au présent Accord ; dans ce cas, l'Importateur de Données avertira l'Exportateur de Données et s'engagera à sauvegarder la confidentialité de telles Données Personnelles et ne traitera plus activement ces données.

En cas de résiliation du présent Accord, il en résulte automatiquement la résiliation de tout autre contrat signé par l'Importateur de Données et par le sous-traitant ultérieur aux fins du traitement et du transfert de Données Personnelles en vertu du présent Accord. Néanmoins, aucun autre contrat signé par l'Exportateur de Données et par l'Importateur de Données à d'autres fins n'en sera concerné.

7. Term and Termination

This Agreement shall be binding between the parties upon execution by both parties and shall remain in place for an indefinite period of time. It shall terminate automatically upon the termination of the services provided by the Data Importer and for which this Agreement was entered into. Each party may [also] terminate this Agreement at any time with immediate effect by providing a written notice. The Data Exporter may also suspend the transfer of Personal Data and/or its processing at any time.

Upon termination of this Agreement for whatever reason, the Data Importer (and any Subprocessor) shall,

(i) immediately return any Personal Data and copies thereof to which this Agreement applies, including the Personal Data transferred by the Data Exporter; and, to the extent this is not possible,

(ii) destroy such Personal Data and copies thereof, and certify to the Data Exporter in writing that it has done so;

unless legislation imposed upon the Data Importer prevents it from returning or destroying all or parts of the Personal Data to which this Agreement applies, in which case the Data Importer informs the Data Exporter and undertakes to keep such Personal Data confidential and not actively process it anymore.

Upon termination of this Agreement, any other contract signed by the Data Importer and the Subprocessor for the purposes of processing and transferring Personal Data under this Agreement shall be terminated automatically. This, however, does not concern any other contract signed by the Data Exporter and Data Importer for other purposes.

Annex 2 to this Agreement shall be summarized to the extent admissible by law and necessary for security reasons. In case of a production request by a Person Affected, the Data Exporter may summarize any part of this Agreement (including its Annexes) to the extent necessary for confidentiality and data protection reasons.

Chacune des parties indemnisera l’autre en cas de réclamations de tiers ou d’autres dommages résultant de la violation négligente ou intentionnelle du présent Accord de la part de la partie mentionné en premier.

Les individus concernés peuvent reclamer à chacune des parties soit des dommages-intérêts, soit d’autres prétentions résultant de la LPD relatifs au transfert et/ou au traitement de leurs Données Personnelles en application du présent Accord.

Le présent Accord ne peut être modifié que par écrit. Les parties n’ont le droit de céder à des tiers ni cet Accord ni des droits ou obligations y découlant sans le consentement préalable écrit de l’autre partie.

Le présent Accord (ainsi que tout autre contrat signé par l’Importateur de Données et par un sous-traitant ultérieur en vue du traitement et du transfert de Données Personnelles en application du présent Accord) sera régi et interprété conformément à la loi matérielle suisse. Tout litige découlant de, ou en relation avec, le présent Accord (ou tout autre contrat de sous-traitance ultérieur signé par l’Importateur de Données et par un sous-traitant ultérieur en vue du traitement et du transfert de Données Personnelles en application du présent Accord), ainsi que toute violation de ce dernier, sera exclusivement tranché par les tribunaux ordinaires au siège de l’Exportateur de Données en Suisse.
